

Limited Power of Attorney for Community Solar Enrollment

Customer Information

Customer Name: _____

Service Address: _____

Utility Provider: _____

Utility Account Number: _____

Authorization

I, the undersigned utility account holder, hereby appoint GreenWatt USA Inc., and its designated representatives, as my lawful agent with limited authority to act on my behalf solely for the purpose of enrolling me in a Community Distributed Generation (CDG), also known as Community Solar, program.

Scope of Authority

This Limited Power of Attorney authorizes GreenWatt USA Inc. to:

1. Access and submit my utility account and usage information to qualified CDG project operators, subscription managers, or other authorized entities;
2. Execute any enrollment or subscription documents required to complete my participation in a CDG program;
3. Assign or transfer this authority to a third party, including a CDG developer, subscription manager, or project operator;
4. Communicate with utility companies and CDG stakeholders solely for enrollment and account management.

Guaranteed Savings Disclosure

By signing this document, I understand and acknowledge the following:

- I will receive guaranteed savings in the form of bill credits applied to my utility account;
- These credits will reduce my overall electricity costs compared to what I would otherwise pay to the utility alone;
- I may cancel my enrollment at any time without penalty by contacting the subscription manager assigned to my account.

Limitations

Limited Power of Attorney for Community Solar Enrollment

This Power of Attorney does not authorize any unrelated transactions, including changes to my utility service, energy supply contract, or financial obligations outside the CDG enrollment scope.

This authorization is valid for 180 days from the date of signing unless revoked earlier in writing.
